ArborBrook Vineyards selected for Portland Indie Wine Festival

NEWBERG, Ore – ArborBrook Vineyards has been selected by juried competition to be one of 40 Oregon limited-production wineries participating in the Third Annual Portland Indie Wine Festival. The weekend event in Portland’s historic Pearl District on May 5 and 6 celebrates Oregon’s most talented wineries that make fewer than 2,000 cases in total annual production.

The selected wineries earned the highest blind-tasting scores from a jury of 12 experienced wine judges from the press, trade and winemakers. Festival goers will taste the wines, meet the winemakers, sample great Oregon food pairings, and purchase wines.

Mary Hansen, co-owner of ArborBrook with her husband Dave, said, “We are delighted to have been chosen by the jury to participate in this fun and lively community experience that showcases the best small wineries in Oregon.”

Founded in 2001, ArborBrook Vineyards is situated in Yamhill County’s Chehalem Mountains AVA and specializes in handcrafted Oregon Pinot Noir and Pinot Gris. Additional festival details at indiewinefestival.com.
