Winegrower's Notes

This stainless fermented Pinot Gris captures the unique influence of the site of the Croft Vineyard, rising up into the foothills of the coastal range in rural Polk County, near Monmouth, Oregon. This refreshing Pinot Gris will be a spring and summer time show stopper. Tropical aromatics of star fruit, mango, Fuji apple, a touch of anise and herbal essence makes your palate water with anticipation. The aromatics carry over into the palate and include hints of flint and candied pineapple that has a silky creamy finish that leaves you wanting another sip. Pair with grilled chicken breast topped with mango chutney, shrimp ceviche with avocado, dried cranberry goat cheese & spinach salad, or poached swordfish with green grapes and shallots. Enjoy now through 2023.
